## SCHOLAR DEMOGRAPHICS

## ABOUT OUR SCHOOL

Uplift Infinity Preparatory is a tuition-free, public charter school managed by the Uplift Education charter school network. We offer a college preparatory curriculum to a diverse population of scholars, in grades Pre-K through 12 in Irving, TX. Our mission is to create and sustain a public school of excellence that empowers students to reach their highest potential in college and the global marketplace.

## COMMUNITY SERVICE REQUIREMENTS

Creativity, activity, service (CAS) is a key component of the IB Diploma Programme core. With its holistic approach, CAS is designed to strengthen and extend scholars' personal and interpersonal learning through experiences. CAS formally begins at the start of 11th grade and continues regularly for at least 18 months with a reasonable balance between creativity, activity, and service. This often takes form in scholars participating in extra-curricular activities and community service in order to fulfill the requirements of CAS.

## EXTRACURRICULAR ACTIVITIES

Uplift Infinity Preparatory offers over 30 different extracurricular opportunities after school and during the enrichment period. These include organizations such as National Honor Society, Scholar Council, Environmental League, HOSA, Yearbook, DECA, Key Club, E-Sports Team, and Chess Club, in addition to the following UIL 3A Varsity athletic programs: Flag Football, Volleyball, Basketball, Soccer, Track.

## CURRICULUM AND GRADUATION REQUIREMENTS

**Academic Rigor:** Uplift Infinity is committed to exposing all scholars to a rigorous college preparatory curriculum. The International Baccalaureate was introduced to encourage students to be internationally minded and academically well-rounded. As an IB continuum school, Infinity is authorized to offer the Primary Years Programme (PYP) for grades K-5, Middle Years Programme (MYP) for grades 6-10 and the Diploma Programme (DP) for grades 11-12. Uplift is a DP For ALL network and is committed to making sure that all scholars, regardless of their background or educational need, have access to participate in the Diploma Programme. Our scholars are also required to participate in the DP Core by taking a Theory of Knowledge course, completing a Creativity, Activity, and Service project, and Extended Essay.

**Course Schedule:** Uplift scholars accrue credits by semester, but most courses are year-long. Scholars attend all classes every day for 45 minutes. Every two weeks, scholars have a 90-minute rotation with each class over two days. Four days a week, the schedule also includes RISE Time (Advisory) for enrichment/intervention.

**Graduation Requirements:** Scholars must attempt the full Foundation High School Program, at least one Endorsement and the Distinguished Level of Achievement (26+ credits). Any scholar graduating on the Foundation Only program (22 credits) requires additional approval. A standard diploma through Uplift Education requires, at a minimum, the following credits:

English (4)	Math (4)	Humanities (4)	Science (4)	Language Other Than English (3)	Fine Arts (1)	Physical Education (1)	Electives* (5)
-------------	----------	----------------	-------------	---------------------------------	---------------	------------------------	----------------

\*Includes Road to College and Career courses, Career and Technology courses and additional core courses

- Credit recovery is mandatory for all failed courses required for graduation, all attempts are included on the transcript and calculated into the GPA.
- Pass/Fail, Local Credit, HS credit earned in Middle School and courses for which the scholar received prior credit, are not included in the GPA.
- It is Uplift Education's policy not to rank scholars.
- Uplift Education uses a criterion-based approach to grading. All major grades are meant to reflect the scholar's skills and knowledge using a variety of summative and formative assessment tools. Classroom grading procedures are directly related to clear criteria and standards that show evidence of scholar mastery. Grades for behaviors such as effort and participation are considered minor grades and are either not calculated in the overall grade or calculated as a small percentage, not exceeding 20%.

## ADVANCED COURSES

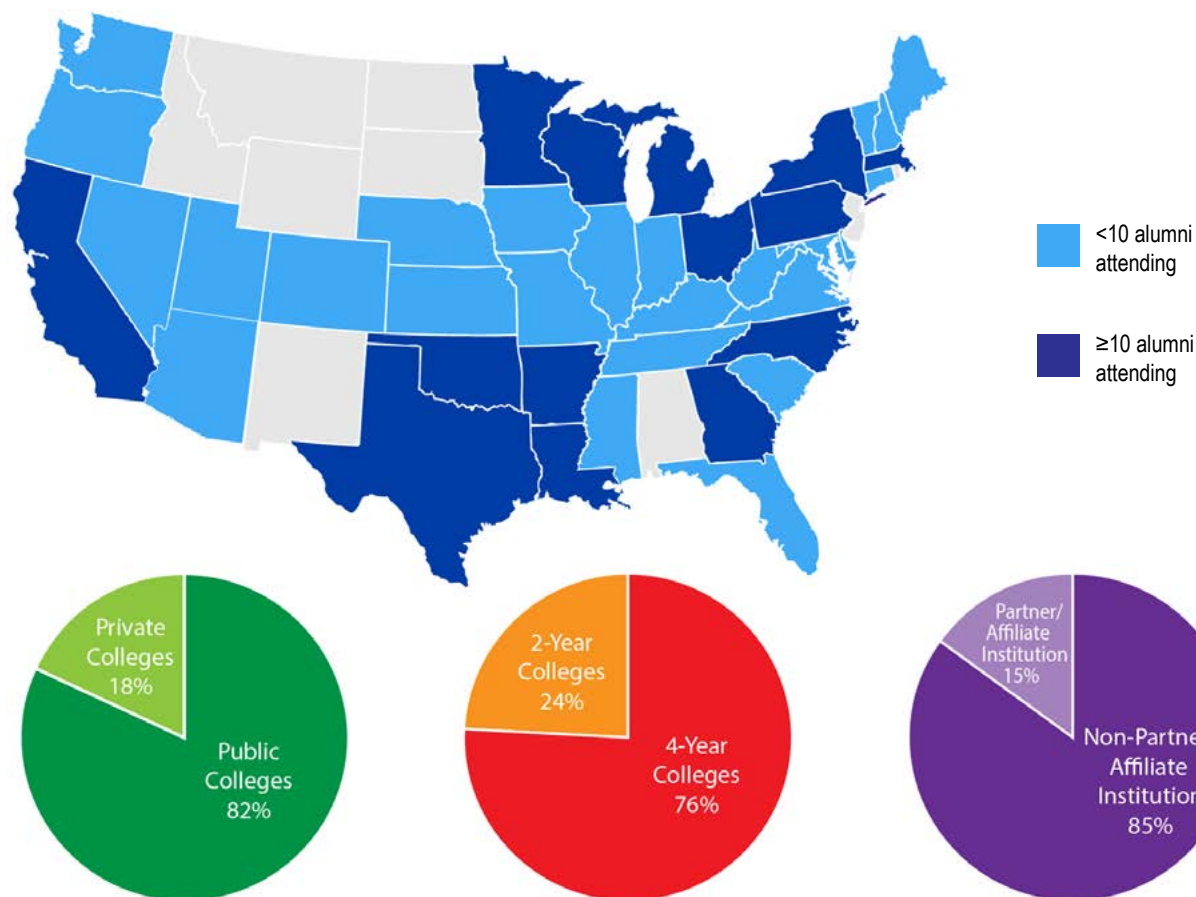

- All courses in grades 6-10 are taught as part of the IB Middle Years Programme, unless otherwise noted.
- All scholars in grades 11-12 are required to participate in components of the IB Diploma Programme.
