SCHOLAR DEMOGRAPHICS

ABOUT OUR SCHOOL

Uplift Luna Preparatory is a tuition-free, public charter school managed by Uplift Education charter network. We offer a college-preparatory curriculum to a diverse urban population in grades K-12. In January of 2024, our campus relocated from Deep Ellum to a brand new PK-12 campus in east Dallas. Our mission is to create and sustain a public school of excellence that empowers students to reach their highest potential in college and the global marketplace.

COMMUNITY SERVICE REQUIREMENTS

Creativity, activity, service (CAS) is a key component of the IB Diploma Programme core. With its holistic approach, CAS is designed to strengthen and extend scholars' personal and interpersonal learning through experiences. CAS formally begins at the start of 11th grade and continues regularly for at least 18 months with a reasonable balance between creativity, activity and service. This often takes form in scholars participating in extra-curricular activities and community service in order to fulfill the requirements of CAS.

EXTRACURRICULAR ACTIVITIES

Uplift Luna offers a variety of different extracurricular opportunities. After-school clubs include BSU, Chess, Checkers Club, Crafting, Dominoes/Spades, Dane/Step Club, Garden Club, Investment Club, Luna Band Club, Luna Book Club, Luna Robotics, Movie Club, National Honor Society, Poetry Club, Photography Club, Step Up Women Empowerment Group, Student Council, Speech & Debate Club, Science Club, Senior Directors Club, and Yearbook. Additionally, Uplift Luna is home to the following UIL 3A Varsity athletic programs: Basketball (M/W), Track and Field (M/W), Soccer (M/W), Flag Football (M), Volleyball (W), Cheerleading (Co-ed).

CURRICULUM AND GRADUATION REQUIREMENTS

Academic Rigor: Uplift Luna Preparatory is committed to exposing all scholars to a rigorous college preparatory curriculum. The International Baccalaureate was introduced to encourage students to be internationally minded and academically well-rounded. As an IB continuum school, Uplift Luna is authorized to offer both the Middle Years Programme (MYP) for grades 6-10 and the Diploma Programme (DP) for grades 11-12. Uplift is a DP For ALL network and is committed to making sure that all scholars, regardless of their background or educational need, have access to participate in the Diploma Programme. Our scholars pursuing the full IB Diploma are also required to participate in the DP Core. This requires scholars to take a Theory of Knowledge course, complete a Creativity, Activity, and Service (CAS) project and experiences, and write an Extended Essay.

Course Schedule: Uplift scholars accrue credits by semester, but most courses are year-long. Scholars attend classes every day for 45 minutes. Every two weeks, scholars have a 90-minute rotation with each class. Four days a week, the schedule also includes RISE Time (Advisory) and enrichment/intervention.

Graduation Requirements: Scholars must attempt the full Foundation High School Program, at least one Endorsement and the Distinguished Level of Achievement (26+ credits). Any scholar graduating on the Foundation Only program (22 credits) requires additional approval. Scholars must complete the following:

English (4)	Math (4)	Humanities (4)	Science (4)	Language other than English (3)	Fine Arts (1)	Physical Education (1)	Electives* (5)
-------------	----------	----------------	-------------	---------------------------------	---------------	------------------------	----------------

*Includes Road to College and Career courses, Career and Technology courses and additional core courses

- AP/DP courses receive an extra 1.0 points for C- and above in calculating the weighted GPA.
- Credit recovery is mandatory for all failed courses required for graduation, and all attempts are included on the transcript and calculated into the GPA.
- Pass/Fail, Local Credit, HS credit earned in Middle School, and courses for which the scholar received prior credit, are not included in the GPA.
- It is Uplift Education's policy not to rank scholars.
- Uplift Education uses a criterion-based approach to grading. All major grades are meant to reflect the scholar's skills and knowledge using a variety of summative and formative assessment tools. Classroom grading procedures are directly related to clear criteria and standards that show evidence of scholar mastery. Grades for behaviors such as effort and participation are considered minor grades and are either not calculated in the overall grade or calculated as a small percentage, no more than 20%.

ADVANCED COURSES

- All courses in grades 6-10 are taught as part of the IB Middle Years Programme unless otherwise noted.
