SCHOLAR DEMOGRAPHICS

ABOUT OUR SCHOOL

Uplift Summit International Preparatory is a tuition-free, public charter school managed by the Uplift Education charter school network. We offer a college preparatory curriculum to a diverse urban population of scholars, in grades K-12, in the Dallas suburb of Arlington, Texas. Our mission is to create and sustain a public school of excellence that empowers students to reach their highest potential in college and the global marketplace.

COMMUNITY SERVICE REQUIREMENTS

Creativity, activity, service (CAS) is a key component of the IB Diploma Programme core. With its holistic approach, CAS is designed to strengthen and extend scholars' personal and interpersonal learning through experiences. CAS formally begins at the start of 11th grade and continues regularly for at least 18 months with a reasonable balance between creativity, activity and service. This often takes form in scholars participating in extra-curricular activities and community service in order to fulfill the requirements of CAS.

EXTRACURRICULAR ACTIVITIES

Uplift Summit offers 30+ different extracurricular opportunities. This includes multiple honor societies, affinity organizations, a variety of clubs, in addition to UIL 3A Varsity athletic programs in Basketball (M/W), Soccer (M/W), Track (M/W), Volleyball (W), Flag Football (M) and Cheerleading.

CURRICULUM AND GRADUATION REQUIREMENTS

Academic Rigor: Uplift Summit is committed to exposing all scholars to a rigorous college preparatory curriculum. The International Baccalaureate was introduced to encourage students to be internationally minded and academically well-rounded. As an IB continuum school, Uplift Summit is authorized to offer both the Middle Years Programme (MYP) for grades 6-10 and the Diploma Programme (DP) for grades 11-12. Uplift is a DP For ALL network and is committed to making sure that all scholars, regardless of their background or educational need, have access to participate in the Diploma Programme. Our scholars are also required to participate in the DP Core by taking a Theory of Knowledge course, completing a Creativity, Activity, and Service project and the Extended Essay. Current seniors have also had opportunities to participate in AP coursework.

Course Schedule: Uplift Summit operates on a semester system and eight classes rotate on a rolling schedule with five 75 minute classes per day. Teachers see scholars three times a week.

Graduation Requirements: Scholars must attempt the full Foundation High School Program, with Multidisciplinary Endorsement and the Distinguished Level of Achievement (26+ credits). Any scholar graduating on the Foundation Only program (22 credits) requires additional approval. Scholars must complete the following:

English (4)	Math (4)	Humanities (4)	Science (4)	Language other than English (3)	Fine Arts (1)	Physical Education (1)	Electives* (5)
