SCHOLAR DEMOGRAPHICS

ABOUT OUR SCHOOL

Uplift Wisdom Preparatory is a tuition-free, public charter school managed by the Uplift Education charter school network. We offer a college preparatory curriculum to a diverse urban population of scholars, in grades PreK-12. Our mission is to create and sustain public schools of excellence that empower students to reach their highest potential in college and the global marketplace and that inspire in students a life-long love of learning, achievement, and service in order to positively change their world. Uplift Wisdom celebrated its first graduating class in 2023 with 52 seniors. Uplift Wisdom Preparatory became a stand-alone high school in 2021.

COMMUNITY SERVICE REQUIREMENTS

Creativity, activity, service (CAS) is a key component of the IB Diploma Programme core. With its holistic approach, CAS is designed to strengthen and extend scholars' personal and interpersonal learning through experiences. CAS formally begins at the start of 11th grade and continues regularly for at least 18 months with a reasonable balance between creativity, activity and service. This often takes form in scholars participating in extra-curricular activities and community service in order to fulfill the requirements of CAS.

EXTRACURRICULAR ACTIVITIES

Uplift Wisdom offers a variety of extracurricular opportunities after school. These include organizations such as Band, Cheer, Dance, Flag Football, Student Council, and Yearbook in addition to the following charter league athletic programs: Basketball (M/W), Volleyball (M/F), Soccer (M/F), and Track and Field (M/F).

CURRICULUM AND GRADUATION REQUIREMENTS

Academic Rigor: Uplift Wisdom is committed to exposing all scholars to a rigorous college preparatory curriculum. The International Baccalaureate was introduced to encourage students to be internationally minded and academically well-rounded. As an IB continuum school, Uplift Wisdom is authorized to offer both the Middle Years Programme (MYP) for grades 6-10 and the Diploma Programme (DP) for grades 11-12. Uplift is a DP For ALL network and is committed to making sure that all scholars, regardless of their background or educational need, have access to participate in the Diploma Programme. Our scholars are also required to participate in the DP Core by taking a Theory of Knowledge course, completing the Creativity, Activity and Service project and experience and write the Extended Essay. Our scholars are required to participate in the DP Core by taking a Theory of Knowledge course, completing the Creativity, Activity, and Service project experience and the Extended Essay.

Course Schedule: Uplift scholars accrue credits by semester, but most courses are year-long. Traditionally, classes rotate on an A/B block schedule with five days of four 90-minute periods. At the start of the 2023-2024 academic school year, scholars now attend classes every day for 45 minutes. Every two weeks, scholars have a 90-minute rotation with each class. Four days a week, the schedule also includes RISE Time (Advisory) and enrichment/intervention.

Graduation Requirements: Scholars must attempt the full Foundation High School Program, at least one Endorsement and the Distinguished Level of Achievement (26+ credits). Any scholar graduating on the Foundation Only program (22 credits) requires additional approval. Scholars must complete the following:
