

Pre-K

A joyful, play-based day that grows the whole child

Brain Smart Start

Conscious Discipline routines build a calm, connected, ready-to-learn classroom.

Morning Meeting

Songs and activities build early math, sounds and letters, social skills, and belonging.

Choice Time

Hands-on Interest Areas practice math, science, and language through play.

Reflection Discussion

Children share what they discovered and the ideas they tried.

Read Alouds

Two read-alouds every day grow listening, comprehension, and a love of books.

Small Groups

Teachers work at just the right level to grow reading, language, and math.

Outdoor Play

Big-muscle skills and science, math, and language learning outside.

Quiet & Relaxation

A calm reset helps children hold onto the morning's learning.

Closing Meeting

Children reflect on the day and get ready for tomorrow.

Talk about it at home: What did you build or explore today? What book did your teacher read? What made you feel proud?
